

Dear Parents/Carers,

A Great Week at AAIS!

We enjoyed our sponsored swim, our Year 5 Formula One race day, our December Around the World show, our Winter Souk and our singing at the Rotana Hotel. PHEW!

Thanks to all parents and friends of the school who helped us with these activities. The children certainly learned a lot and enjoyed themselves. The community atmosphere around the school was amazing and it is great to have children and parents from all over the world coming together in this relaxed and happy way for the benefit of our charity. We raised 1120AED for Operations Smile.

Upcoming Events

The Frozen Singalong will be held on Tuesday 16th December at 4:30pm in the Auditorium. Tickets are still available for 20AED at Reception or with FS Department.

The FS1 & 2 End of Term Celebrations will be held on Wednesday 17th December. The end of term party will be in your child's classroom at 12pm; whilst the End of Term Celebration performance will start promptly at 1pm in the Auditorium. Your child will need to bring to school dark trousers and a dark top as part of their costume. The FS2 teachers kindly request that if you have a small torch to please send it along with your child on Wednesday.

Announcements

If your child is leaving us at the end of Term 1, can you please complete the attached leavers form and return it to Sharon Marias by email at admissions@alaininternational.sch.ae. This will ensure that all documents including your child's transfer certificate will be available on their last day at school.
